Three Levels of Classes

Beginning Level Classes are designed to build confidence in the most popular ballroom dances. The emphasis is on fun and learning steps!

Intermediate Level Classes help you take your dancing up a notch. More emphasis on technique and styling and learning more complex patterns. The emphasis is still on fun!

Advanced Level Classes are for people who are hooked on dancing and want to look and feel really good doing it. We always have a good time!

Private Lessons: A great option for newer dancers wanting to build confidence, or if you're preparing for a special event or performance. Everyone learns faster and better with one-on-one attention.

Cori teaches leaders and followers individually or as a couple.

Dance Parties

Every 1st and 3rd Friday Night at the Evergreen Ballroom. There's no better place to meet other dancers, practice what you've learned, and pick up some new moves.

Separate Beginning and Intermediate lessons 7:30-8:30 with dancing until 10:30 to all kinds of Ballroom, Latin and Swing music.
